My ^{name} name is Chef Jade.

I like cooking. There are tasty food and drinks in my ^{restaurant} restaurant.

My favourite starters are bitter fish balls and a bowl of chicken soup because I like bitter food.

My favourite main dishes are a club sandwich with salty potato chips. I like spicy noodles with chilli crab too because ^{they} they are tasty.

You must try sour lemon cake because it smells tasty. You can try a glass of cold orange juice because it is sour.

Please enjoy the food and drinks!
