My name is Chef Jolin.

I like cooking and eating.

There are some yummy food and drinks in my restaurant.

My favourite ^{starters} starters

are a plate of fish balls and

also a plate of spring rolls because they

are yummy. My favourite main dishes are

spicy sausages with spaghetti and also sweet

hotdog with fries because I like sweet food.

You must try ^{the} sweet vanilla ice-cream

because it ~~is~~ smells nice. You must also try

^{the} sweet chocolate cake because it is very good.

You can try a glass of cola and a glass of apple juice.

Please enjoy the food and drinks!
