

Family Outing

Guan Cyndi

Last weekend, the weather was sunny in the morning. Mum, Dad and Betty were at home. They planned to have a barbecue. They were very excited. They went to a big supermarket to buy a lot of food, such as fishballs, chicken wings, sausages and hamburger patties.

It was a quarter to one. Dad, Mum and Betty went to a beautiful beach. Mum and Dad said, 'It's time for lunch.' They ate fishballs. They were happy.

Then, Betty flew a kite. 'Oh! No! It is raining!' Betty shouted. Mum and Dad were shocked too.

In the end, they took out an umbrella and Mum called a taxi. They felt disappointed because it was rainy.
