

# My Birthday

2<sup>nd</sup> March

Sunny

Yesterday was my birthday. My parents held a party for me. I invited many friends to my party.

First we played computer games together. Then we watched television. After that, they sang the birthday song to me. I blew the candles and made a wish. Mum helped me cut the birthday cake.

I received many gifts from my parents and my friends. I got an iPhone and a PS4. I felt very happy. Yesterday was an unforgettable day.
