

Lost on Lantau

Last Sunday morning, it's windy so Mr and Mrs Chan wanted to go to Lantau Island and hike there.

On their way back, they were lost. They wanted to dial 999 but their mobile phones had no signal. They thus walked for half an hour but still they couldn't find the way.

Luckily, they saw a man. 'Excuse me. How far is it from here to the nearest bus stop?' asked Mr Chan. 'I don't know,' the man replied. 'Give me all your money and jewellery! Be quick!' The man was a robber! At that time, Mr Chan saw a bottle and used it to hit the man.

Finally they found a public telephone and called a taxi. They were exhausted and fell asleep on the taxi on their way home.
