

My Father

My father is thin and tall. His mouth is as big as a banana. His hair is as smooth as silk. He likes watching TV in his spare time.

My father is a businessman. He is as gentle as a lamb. He is as wise as an owl too. I like him because he is nice to me. He is patient too. He always listens to me.

I love my father but he is too busy. I hope I can play with him and chat with him.
